## Sunlight Sunvan

Sunlight Sunvan is more compact than a motorhome, more spacious than a campervan, the slightly narrower width enables them to go everywhere and anywhere making it easier for you to get to those out of reach destinations.

Sunlight Sunvan is part of the Lowdhams exclusive **XTRA** Special Edition range with many unique additions. The attractively priced Sun Pack takes the Sunvan up to the next level. The exciting layouts to choose from including the all new V69, the first full double island bed in this vehicle category. The Sunlight Sunvan is practical, easy to drive and ready for new adventures.
