**Lowdhams**  
First for outdoor leisure

There is a warm  
welcome awaiting  
you at Lowdhams.  
We look forward to  
seeing you soon.

The UK's  
**ONLY** Supplier

*Exclusively*  
**LOWDHAMS!**

At Lowdhams we understand what it takes to choose a new motorhome – it is after all, your home from home.

Since 1966 we've built our family-owned business on forging long term relationships with customers and manufacturers, being careful to offer products which will deliver functionality and value, whatever your price range.

#### The Lowdhams Difference:

- A family business for over 50 years with experienced, knowledgeable staff in all departments - multiple product and service award winners
- Multipoint Motorhome Pre-delivery Inspection, Number Plate included
- Personalised Handover (full working demonstration) of your new motorhome
- Overnight Stay Facility on collection
- Out of Hours Technical Advice Line
- Dedicated Aftersales team with industry-qualified technicians and NCC Approved Workshops
- Finance packages arranged (subject to status)

All this and more with

Every customer becomes a member of our exclusive My Lowdhams club, which opens up a range of exciting benefits including:

- Exclusive service plans
- Discount in our awnings and accessories shop
- Complimentary refreshments available in our showroom
- Loyalty bonus on future purchases
- Referral rewards
- Complimentary hot drinks at our show stands and in store throughout the year
- Invitations to a calendar of special events
- & much more...

A true family  
run business  
established since  
**1966**

Put us to the test and find out why so many  
motorhome buyers trust Lowdhams to deliver  
choice, value and service.

All Swift motorhomes come with:

### Notes:

- The Maximum User Payload includes:
    - The conventional load (this is the allowance for passengers)
    - Essential habitation equipment (Items and fluids required for safe and proper functioning of habitation equipment)
    - Optional equipment (Items available from the manufacturer over and above the standard specification)
    - Personal effects (those items not covered by the above)
  - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Calor Life LPG cylinder. The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
  - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motorhome, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
  - Warning - under no circumstances should the maximum technical permissible laden mass of this motorhome be exceeded.
- # The maximum trailer weight is limited by the gross train weight which must not be exceeded.
- For example if the vehicle is at the maximum MTPLM of 4500kg, then the maximum trailer weight possible is 1500kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 2000kg.
- \* Estimated
