XTRA
SPECIAL
EDITION

Hi-STYLE

The Hi-Style builds on the best-selling Escape range to offer a unique product that you won't find anywhere else.

Presenting premium finishes, exclusive textiles, and streamlined furniture with high-gloss cream lockers and textured metal inlay, the Hi-Style lives up to its name.

The sleek profile is enhanced with a Fiat cab in Lanzarote Grey and special edition graphics.

All four models feature ample kitchens and washrooms, upgraded features and spacious front lounges with new fold-down Aguti travelling seats incorporating ISOfix

Hi-STYLE

Notes:

- The Maximum User Payload includes:
 - The conventional load (this is the allowance for passengers)
 - Essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - Optional equipment (items available from the manufacturer over and above the standard specification)
 - Personal effects (those items not covered by the above)
- The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank capacity and 1 x 6kg Color Lite LPG cylinder. The MRO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
- Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motorhome, e.g. passengers, optional equipment, essential habitation equipment and

personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
- Warning - under no circumstances should the maximum technical permissible laden mass of this motorhome be exceeded.

The maximum trailer weight is limited by the gross train weight which must not be exceeded.

For example if the vehicle is at the maximum MTPLM of 4500kg, then the maximum trailer weight possible is 1500kg. Reducing the weight of the vehicle by removing payload, will allow you to increase the trailer weight up to a maximum of 2000kg.
